

Directions to Clancy Chandeliers

1. Continue south on the M50 or N11. These 2 roads will merge at Loughlinstown.
2. After a short while you will see a number of signs for Bray. Ignore these signs, until you see a sign for Bray and Greystones. This is exit 7.
3. Turn off the dual carriageway at this exit.
4. Continue to the roundabout and take the 2nd exit for Bray. The Topaz service station will be on your left.
5. Continue down and after about ½ a mile you will drive over 2 speed ramps.
6. You will then see a SIGN for traffic lights. Turn left at this SIGN. (Don't go to the traffic lights). This is Ballywaltrim Cottages.
7. Continue up the road with the cottages on your left. The road will then fork left and right, take the left fork and we are the 1st house on the left.
8. "Villanova" is written above the front door.

We look forward to being of service.
